# The MDS-Nx Dashboard

**The MDS-Nx Dashboard provides key business information on your desktop.**

**With hundreds of Key Indicators and Charts to choose from, the MDS-Nx Dashboard is a powerful tool.**

The screenshot shows the MDS-Nx Dashboard interface. The top menu bar includes options like File, Edit, Settings, Reset, Tools, Mode, Standard Functions, Special Functions, Refresh Dashboard, and Help. Below the menu is a toolbar with icons for Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup. A second row of icons includes Oe, Contacts, Maint, Drill, Execing, Reports, Capt Off, View, Crm.menu, and Vrm.menu. The left sidebar lists application folders: 4.Sales Analysis, 5.Sales Management Menu, 6.Accounting Menu, 7.File Maintenance, 8.End of Period Processing, 9.Utility Menu, 10.Customer Special Programs, 11.Optional Systems, and 12.Quick Search. The main content area displays a list of tasks such as Find Tasks, FDA, Customer Invoices, Customer Sales Order, Customer Quotes, Customer Detail Hist, Product Detail Histor, A/R Checks, Purchase Orders, Vendor Payables, and A/P Checks. The 'Charts' section at the bottom right shows a pie chart titled 'Sales Units by Product Class Description' with a legend including ACCT WORKSHEETS, BATH ACCESSORIES, CARPET CLEANERS, DESK DRAWER KEYS, Disk, and JEWELRY. The pie chart shows segments for 0.2%, 28%, and 67.1%.

Product Class Description	Percentage
ACCT WORKSHEETS	0.2%
BATH ACCESSORIES	28%
CARPET CLEANERS	67.1%
DESK DRAWER KEYS	0%
Disk	0%
JEWELRY	0%

# KPI = Key Performance Indicator

**Key Performance Indicators show vital business metrics over time as well as real time snapshots of important information such as Inventory Value or Items Below ROP.**

The screenshot displays a software application window titled "tshpe2 - [tshpe2.tshinc.com-DEMO.12-MAIN.MENU]". The interface includes a menu bar (File, Edit, Settings, Reset, Tools, Mode, Standard Functions, Special Functions, Refresh Dashboard, Help) and a sidebar with "Shortcuts" (MDS Menu, Application, Terminal) and "Customer Special Programs", "Optional Systems", and "Quick Search".

The main area shows a "Tasks" list with columns for Time, Description, Status, D..., O..., and Task Nu... A task is listed at 8:00 am with the description "Call Bob at Medfast" and task number "0000507".

Below the tasks is a "Key Performance Indicators" table with columns for Daily, Monthly, This Year, and Last Year. The table contains the following data:

	Daily	Monthly	This Year	Last Year
Credit Dollars	\$1,283	\$30,400	\$99,015	
Sales Dollars	\$10,000	\$285,000	\$12,456,800	
Inventory Value	\$147,028,...			
Purchase Orders Past Due Date	67			
Latex Products	71			

The bottom of the interface features a toolbar with icons for Oe, Contacts, Maint, Drill, Execinq, Reports, Capt Off, View, Crm.menu, Vrm.menu, Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup. The status bar at the bottom shows "The Systems House | Ready" and the date/time "7/25/2014 12:15:02 PM" along with "CAP NUM SCRL".

Product Lookup : 12:01:15 PM Customer:

# KPI = Key Performance Indicator

**Key Performance Indicators show vital business metrics over time as well as real time snapshots of important information such as Inventory Value or Items Below ROP.**

**Key Performance Indicators are written using industry standard SQL queries.**

	Daily	Monthly	This Year	Last Year
Credit Dollars	\$1,283	\$30,400	\$99,015	
Sales Dollars	\$10,000	\$285,000	\$12,456,800	
Inventory Value	\$147,028,...			
Purchase Orders Past Due Date	67			
Latex Products	71			

The screenshot shows a software application window titled "tshpe2 - [tshpe2.tshinc.com-DEMO.12-MAIN.MENU]". The interface includes a menu bar with options like File, Edit, Settings, and a sidebar with navigation options like MDS Menu, Tasks, and Customer Special Programs. The main content area displays a table of Key Performance Indicators (KPIs) with columns for Daily, Monthly, This Year, and Last Year. The table data is as follows:

	Daily	Monthly	This Year	Last Year
Credit Dollars	\$1,283	\$30,400	\$99,015	
Sales Dollars	\$10,000	\$285,000	\$12,456,800	
Inventory Value	\$147,028,...			
Purchase Orders Past Due Date	67			
Latex Products	71			

The bottom toolbar contains various icons for navigation and actions, including Help, OK/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and PopUp. The status bar at the bottom shows "The Systems House | Ready" and the date/time "7/25/2014 12:15:02 PM".

# Lines and Pies and Bars oh my...

The screenshot displays a legacy business application interface with a blue-themed desktop environment. The window title is "tshpe2 - [tshpe2.tshinc.com-DEMO.12-MAIN.MENU]".

**Navigation and Menu:** The left sidebar contains a "MDS Menu" with a search field and a list of application categories: Customer Service, Purchasing, Warehouse Management & Inventory, Sales Analysis, Sales Management Menu, Accounting Menu, File Maintenance, End of Period Processing, Utility Menu, Customer Special Programs, Optional Systems, and Quick Search. Each item has a star icon and a question mark. The top menu bar includes "File", "Edit", "Settings", "Reset", "Tools", "Mode", "Standard Functions", "Special Functions", "Refresh Dashboard", and "Help".

**Tasks Panel:** The "Tasks" section shows a table with columns for Date, Time, Description, Status, D..., O..., and Task Nu... A single task is listed: "7/28/2014 8:00 am Call Bob at Medfast" with a status of "Completed" (indicated by a red minus icon) and a task number of "0000507".

**Charts Panel:** The "Charts" section is titled "Key Indicators" and displays a bar chart titled "Annual Sales by Customer Class". The chart compares sales for "This Year" (red bars) and "Last Year" (green bars) across three customer classes (01, 02, 03). The Y-axis represents sales volume from 0 to 400,000.

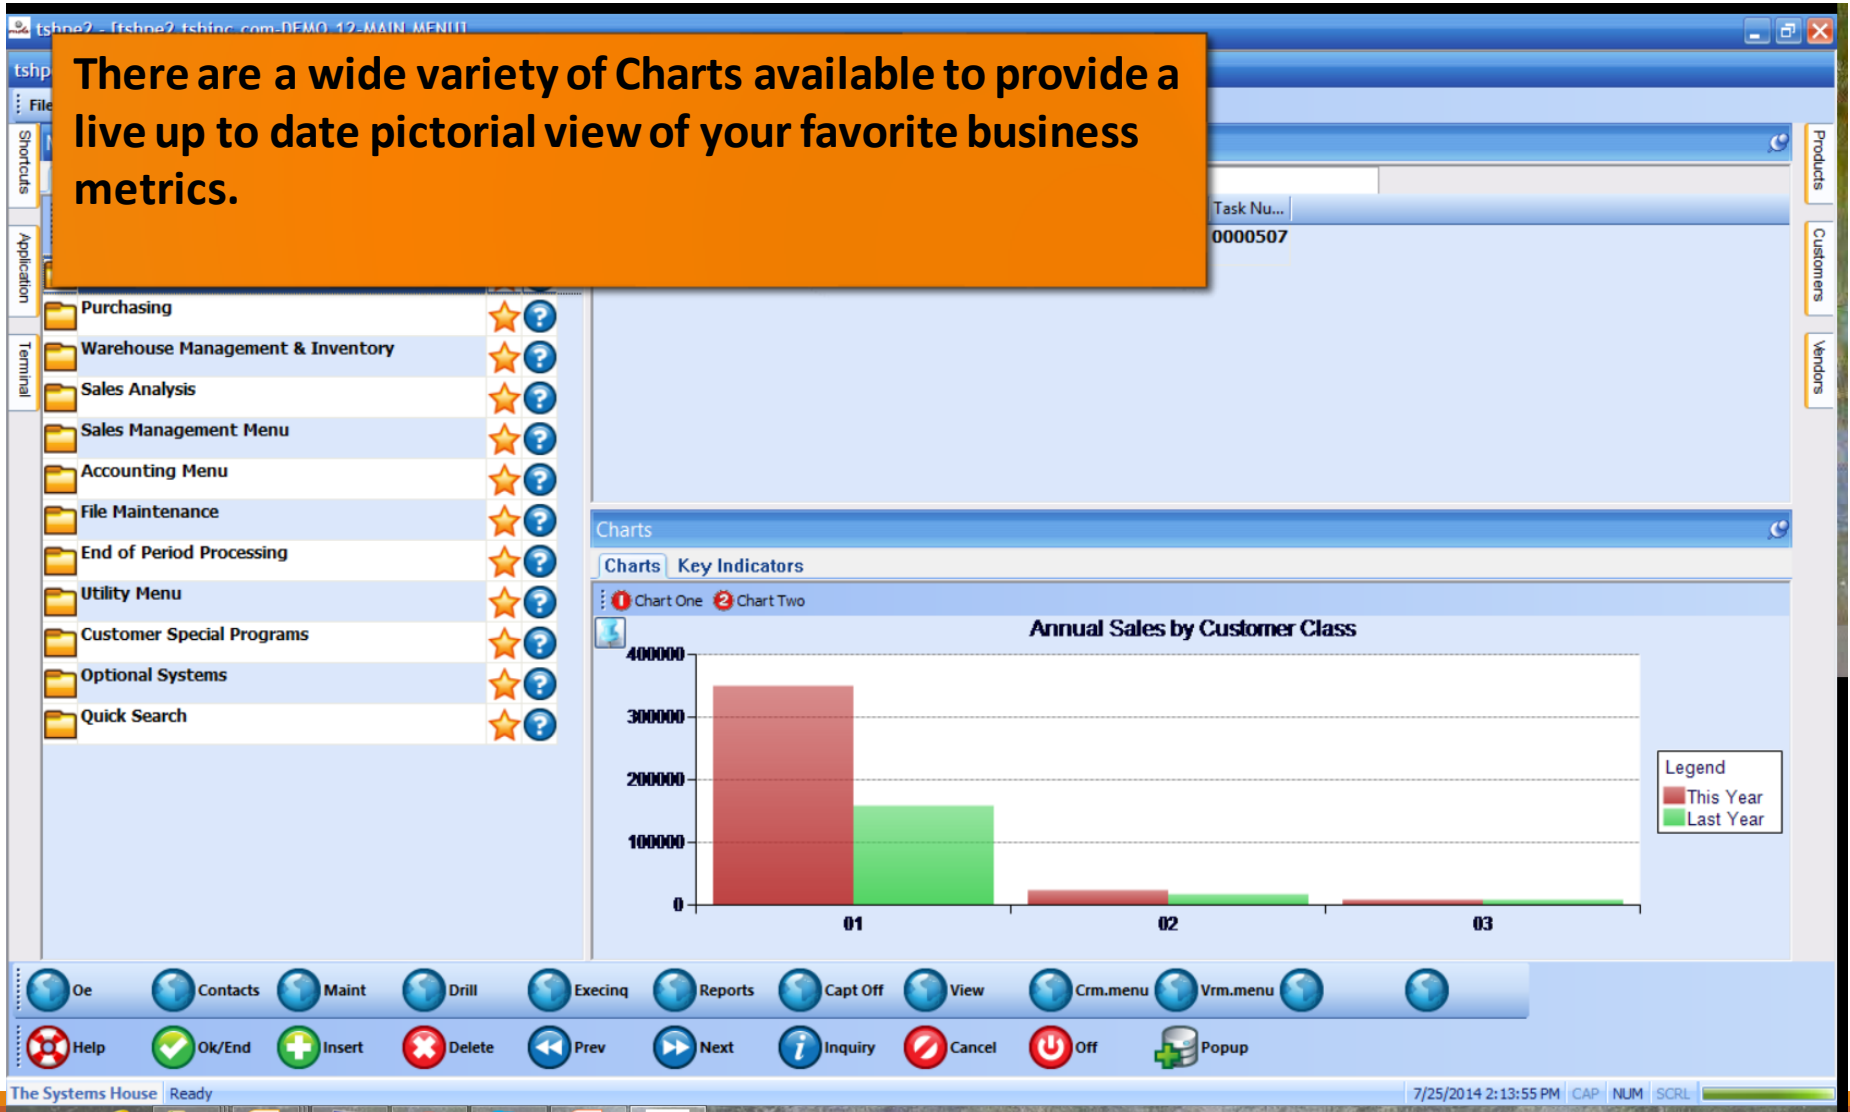

Customer Class	This Year	Last Year
01	~350,000	~150,000
02	~20,000	~15,000
03	~5,000	~5,000

**Bottom Panel:** A row of circular icons provides quick access to various functions: Oe, Contacts, Maint, Drill, Execing, Reports, Capt Off, View, Crm.menu, Vrm.menu, Help, OK/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup. The system tray at the bottom shows "The Systems House Ready" and the date/time "7/25/2014 2:13:55 PM" along with system status indicators.

# Lines and Pies and Bars oh my...

# Create Default Dashboards

The screenshot displays a software application window titled "tshpe2 - [tshpe2.tshinc.com-DEMO.12-UTILITY.MENU]". The interface includes a menu bar with options like File, Edit, Settings, and a left sidebar with categories like Shortcuts, Terminal, and Application. The "Application" menu is open, showing options such as "Utilities", "Reconcile Menu", "Recall Generator", and "Create Default Dashboards", which is highlighted by an orange arrow. The main area shows a "Tasks" table with one entry: "7/28/2014 8:00 am Call Bob at Medfast". Below the tasks is a "Charts" section with a bar chart titled "Annual Sales by Customer Class". The chart compares sales for "This Year" (red bars) and "Last Year" (green bars) across three customer classes (01, 02, 03). The Y-axis represents sales amount, ranging from 0 to 400,000.

Customer Class	This Year	Last Year
01	350,000	150,000
02	20,000	10,000
03	10,000	5,000

# Create Default Dashboards

**We can create a default set of KPIs and Charts for all your operators and then they can be individually customized using the Operator Dashboard Maintenance. There is an additional default setup for Salesmen.**

**Annual Sales by Customer Class**

Customer Class	This Year	Last Year
01	350,000	150,000
02	20,000	10,000
03	5,000	2,000

The screenshot shows a software interface with a menu on the left and a chart on the right. The menu includes items like 'Utilities', 'Reconcile Menu', 'Recall Generator', and 'Create Default Dashboards'. The chart displays 'Annual Sales by Customer Class' with bars for 'This Year' and 'Last Year' across three customer classes (01, 02, 03). The 'This Year' bars are red and the 'Last Year' bars are green. The y-axis ranges from 0 to 400,000. The x-axis shows customer classes 01, 02, and 03. A legend on the right indicates 'This Year' (red) and 'Last Year' (green). The interface also includes a top menu bar with 'File', 'Edit', 'Settings', etc., and a bottom toolbar with icons for 'Oe', 'Contacts', 'Maint', etc.

# Salesman Default Dashboard.

The dashboard displays the following components:

- Menu (Left):** MDS Menu, Customer Service, Purchasing, Warehouse Management & Inventory, Sales Analysis, Sales Management Menu, Accounting Menu, File Maintenance, End of Period Processing, Utility Menu, Customer Special Programs, Optional Systems, Quick Search.
- Tasks (Top):** Filtered by date 07/25/2014 and time 8:00 am. One task is listed: 7/28/2014 8:00 am Call Bob at Medfast (Task No. 0000507).
- Key Indicators (Bottom):** A table showing performance metrics for Sism 001 SY FERTIG.

Indicator	Daily	Monthly	This Year	Last Year
Sales Dollars for Sism 001 SY FERTIG	\$373	\$36,392	\$271,658	
Returns Dollars for Sism 001 SY FERTIG	\$0	(\$1,353)	(\$6,275)	
GP Dollars for Sism 001 SY FERTIG	\$167	\$390	\$390	
Calls for Sism 001 SY FERTIG				
Initial Calls for Sism 001 SY FERTIG				

System status: The Systems House | Ready | 7/25/2014 3:33:02 PM | CAP NUM SCRL

# Salesman Default Dashboard.

The screenshot shows a web-based application interface for a salesman. The browser title is "tshpe2 - [tshpe2.tshinc.com-DEMO.12-MAIN.MENU]". The application title is "tshpe2.tshinc.com-DEMO.12-MAIN.MENU". The menu bar includes "File", "Edit", "Settings", "Reset", "Tools", "Mode", "Standard Functions", "Special Functions", "Refresh Dashboard", and "Help".

The sidebar on the left is divided into three sections: "Shortcuts" (MDS Menu, Find), "Application" (Customer Service, Purchasing, Warehouse Management & Inventory, Sales Analysis, Sales Management Menu, Accounting Menu, File Maintenance, End of Period Processing, Utility Menu, Customer Special Programs, Optional Systems, Quick Search), and "Terminal".

The main content area features a "Tasks" section with a date and time filter (07/25/2014, 8:00 am) and a table of tasks. Below this is a "Key Indicators" section with a "Charts" and "Key Indicators" tab. The "Key Indicators" table shows performance metrics for "Sism 001 SY FERTIG".

The bottom toolbar contains various navigation and action buttons: Oe, Contacts, Maint, Drill, Execinq, Reports, Capt Off, View, Crm.menu, Vrm.menu, Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup.

The status bar at the bottom indicates "The Systems House | Ready" and the current date and time: "7/25/2014 3:33:02 PM".

**Each Salesman can now track his results and his workload as he uses the system.**

The Systems House | Ready

10/16/2014 4:43:50 PM CAP NUM SCRL

Product Lookup : 4:30:23 PM Customer: Customer Lookup : 4:30:33 PM Vendor Lookup : 4:30:34 PM

A Line graph can be used to compare one or two sets of data on the same chart over time, for example last years sales vs this years sales.

Each chart is created solely by using standard SQL statements.

For a line chart, set one or two SQL statements to compare and choose fields for the X and Y axis

Set the Type of Chart to:  
P – Pie chart  
B - Bar Chart  
L - Line Chart

Set an MDS Menu item or any Crystal Report as the drilldown for the chart.

The screenshot shows the 'MDS Dashboard Chart Maintenance' application window. The interface includes a menu bar (File, Edit, Settings, Reset, Tools, Mode, Standard), a toolbar with icons for Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup, and a status bar at the bottom. The main area contains a form with the following fields:

- Chart Name: SALES\_YEARLY-TREND
- 1.Caption: Sales Dollars Yearly - Annual Trend
- 2.SQL Statement: SELECT DAILY\_BAL\_HIST.UPD\_MONTH,DAILY\_BAL\_HIST.SOR T\_MONTH,AVG(DAILY\_BAL\_HIST.SALES\_YEARLY) AS TOTAL INFO FROM DAILY\_BAL\_HIST GROUP BY DAILY\_BAL\_HIST.
- 3.X-Axis Field: UPD\_MONTH
- 4.Y-Axis Field: TOTALINFO
- 5.Y-Axis Legend: Sales Dollars Yearly
- 6.SQL Secondary: (empty)
- 7.Sec X-Axis Field: (empty)
- 8.Sec Y-Axis Field: (empty)
- 9.Sec Y-Axis Legend: (empty)
- 10.Type: L
- 11.DrillDown Report: (empty)

At the bottom of the form, there is a prompt: 'ENTER LINE # TO CHANGE,DELETE TO DELETE,0 TO ACCEPT' and a yellow input field containing 'XXXXXX'. The system tray at the bottom shows 'The Systems House | Ready' and the date/time '10/16/2014 4:43:50 PM'.

# Find Menu

The screenshot displays the BASE.12 application interface. At the top, the title bar reads "BASE.12 - [REDHATRS.TSHINC.COM-BASE.12-MAIN.MENU]". Below the title bar is a menu bar with options: File, Edit, Settings, Reset, Tools, Mode, Standard Functions, Special Functions, Refresh Dashboard, and Help. A toolbar follows with icons for Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup. A second row of icons includes Oe, Contacts, Maint, Drill, Execing, Reports, Capt Off, View, Crm.menu, and Vrm.menu.

The main interface is divided into several sections. On the left is the "MDS Menu" with a "Shortcuts" section containing a search box and "Home", "Back", and "Help" buttons. Below this is an "Application" list with 12 items, each with a folder icon, a star, and a question mark icon. The "Find" section on the right has a "Find" tab and a "Tasks" sub-tab. It features a search box with a magnifying glass icon and a list of tasks: Customer Invoices, Customer Sales Orders, Customer Quotes, Customer Detail History, Product Detail History, A/R Checks, Purchase Orders, Vendor Payables, and A/P Checks. Each task has a question mark icon to its right. Below the tasks is a "Charts" section with "Charts" and "Key Indicators" tabs, and two chart indicators labeled "Chart One" and "Chart Two".

An orange callout box with a white border and a drop shadow is positioned over the "Find" section. It contains the text: "Search for Invoices, Purchase Orders or use the find box to search for anything!". An orange arrow points from the callout box to the search box in the "Find" section.

At the bottom of the interface, the status bar shows "The Systems House | Operator:ME Ready." on the left, and "5/10/2016 09:48 | CAP | NUM | SCRL" followed by a progress bar on the right.

# New Appearance Options:

The screenshot displays a software application window titled "BASE.12 - [REDHATRS.TSHINC.COM-BASE.12-MAIN.MENU]". The interface features a modern, clean design with a prominent toolbar at the top containing various icons for navigation and actions such as Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, Oe, Contacts, Maint, Drill, Execing, Reports, Capt Off, View, Crm.menu, and Vrm.menu. Below the toolbar is a menu bar with options like File, Edit, Settings, Reset, Tools, Mode, Standard Functions, Special Functions, Refresh Dashboard, and Help. The main workspace is divided into several panels: a left sidebar with a "Shortcuts" section and a "Find" search bar; a central "Find Tasks" panel listing various business tasks like Customer Invoices, Customer Sales Orders, and Purchase Orders; and a bottom section for "Charts" and "Key Indicators". The status bar at the bottom indicates "The Systems House | Operator:ME Ready." and the date/time "5/17/2016 12:45".

The screenshot displays a web-based ERP system interface. The title bar reads "BASE.12 - [REDHATRS.TSHINC.COM-BASE.12-MAIN.MENU]". The main menu includes "File", "Edit", "Settings", "Reset", "Tools", "Mode", "Standard Functions", "Special Functions", "Refresh Dashboard", and "Help". The "Tools" menu is open, showing options: "Debug", "Show Debug History", "Check Version", "Crystal License Manager", "Clear Temp Files", and "Show SQL Log" (highlighted). The interface features a sidebar with "Shortcuts", "Application", "Terminal", and "History" sections. The "Application" section lists 12 menu items, each with a star and a question mark icon. The main content area is titled "Find Tasks" and lists various business tasks such as "Customer Invoices", "Customer Sales Orders", "Customer Quotes", "Customer Detail History", "Product Detail History", "A/R Checks", "Purchase Orders", "Vendor Payables", and "A/P Checks". The bottom status bar shows "The Systems House | Operator:ME Ready." and the date/time "5/17/2016 12:51" along with system indicators for CAP, NUM, and SCRL.

# Shortcut Organizer Lines

The screenshot displays a software interface with a top menu bar (File, Edit, Settings, etc.), a toolbar with icons for Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup. Below the toolbar is a row of application shortcuts: Oe, Contacts, Maint, Drill, Execing, Reports, Capt Off, View, Crm.menu, and Vrm.menu.

The main window is divided into three panes:

- Shortcuts:** A list of shortcuts with columns for 'Add' (red minus), 'Up' (green up), and 'Down' (green down) actions. The list includes: ---Customer Service, Order Entry, Detailed Order Inquiry, Customer Master Maintenance, Customer Relationship Inquiry (Detail), Customer Service, Purchasing, Product Labels, Location Adjustment, and Quick Search.
- MDS Menu:** A list of menu items with star and question mark icons. Items include: 1.Location Maintenance, 2.Location Labels, 3.Environment Main, 4.Location Adjustm, 5.Location Movemen, 6.Location Lot Move, 7.Location Report M, 8.Purchase Order Receiving Form, 9.Purchase Order Receipts Menu, 10.Batch Pick Ticket Print, 11.Replenishment - Orders to Be Picked, 12.Batch Pick Ticket Reprint, 13.Replenishment - Nightly Run, and 14.Replenishment Labels.
- Find:** A search pane with 'Find Tasks' and a list of search results: Customer Invoices, Customer Sales Orders, Vendor Payables, and A/P Checks. Below this is a 'Charts' section with 'Key Indicators' and a chart titled 'Sales Units by Product Class Description' showing data points like 0.1% and 67.6%.

An orange callout box with the text "Add text lines to your shortcut collection to organize them." points to the red minus icon in the 'Shortcuts' pane.

The bottom status bar shows: The Systems House | Operator:ME Ready. | 5/31/2016 15:41 | CAP | NUM | SCRL

# Shortcut Organizer Lines

The screenshot displays a software interface with a top menu bar (File, Edit, Settings, Reset, Tools, Mode, Standard Functions, Special Functions, Refresh Dashboard, Help) and a toolbar with icons for Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup. Below the toolbar is a row of application shortcuts: Oe, Contacts, Maint, Drill, Execinq, Reports, Capt Off, View, Crm.menu, Vrm.menu, and an empty slot.

The main area is divided into three panes:

- Shortcuts:** A list of application shortcuts with status icons (red minus, green plus, green down arrow). The list includes: ---Customer Service, Order Entry, Detailed Order Inquiry, Customer Master Maintenance, Customer Relationship Inquiry (Detail), Customer Service, ---Warehouse, Purchasing, Product Labels, Location Adjustment, and Quick Search.
- MDS Menu:** A navigation pane with Home, Back, and Help buttons, and a search field.
- Find:** A search results pane with a search field and a list of tasks including Customer Invoices, Customer Sales Orders, Customer Quotes, Customer Detail History, Product Detail History, R Checks, Purchase Orders, Vendor Payables, and A/P Checks.

A dialog box titled "MDSforWindows 11.1.7" is overlaid on the interface, displaying the message: "---Warehouse has been added to your shortcut list." with an "OK" button.

At the bottom, a status bar shows "The Systems House | Operator:ME Ready." and a system tray with the date/time "5/31/2016 16:00" and icons for CAP, NUM, and SCRL.

# Shortcut Organizer Lines

The screenshot displays a software interface with a 'Shortcuts' list on the left. The list contains items such as 'Customer Service', 'Order Entry', 'Detailed Order Inquiry', 'Customer Master Maintenance', 'Customer Relationship Inquiry (Detail)', 'Customer Service', 'Warehouse', 'Purchasing', 'Product Labels', 'Location Adjustment', and 'Quick Search'. Each item has three icons to its right: a red minus sign, a green up arrow, and a green down arrow. An orange callout box with an arrow pointing to the minus sign on the 'Product Labels' row contains the text: 'Use the Arrows to move an item up or down. Use the Red minus to remove an item.'

The interface also features a top menu bar with options like 'File', 'Edit', 'Settings', 'Reset', 'Tools', 'Mode', 'Standard Functions', 'Special Functions', 'Refresh Dashboard', and 'Help'. Below the menu is a toolbar with icons for 'Help', 'Ok/End', 'Insert', 'Delete', 'Prev', 'Next', 'Inquiry', 'Cancel', 'Off', and 'Popup'. A second row of icons includes 'Oe', 'Contacts', 'Maint', 'Drill', 'Execing', 'Reports', 'Capt Off', 'View', 'Crm.menu', 'Vrm.menu', and a blank icon.

The main content area is divided into three panes: 'Shortcuts' (left), 'MDS Menu' (center), and 'Find' (right). The 'MDS Menu' pane shows a list of menu items with star and question mark icons. The 'Find' pane includes a search bar and a list of tasks such as 'Customer Invoices', 'Customer Sales Orders', 'Customer Quotes', 'Customer Detail History', 'Product Detail History', 'A/R Checks', 'Purchase Orders', 'Vendor Payables', and 'A/P Checks'. At the bottom right, there is a 'Charts' section with 'Key Indicators' and a chart titled 'Sales Units by Product Class Description' showing data points like 0.1% and 67.6%.

The status bar at the bottom indicates 'The Systems House | Operator:ME Ready.' and the date/time '5/31/2016 16:00' along with system status indicators 'CAP', 'NUM', and 'SCRL'.

# History Tab

The screenshot displays a software application window titled "BASE.12 - [REDHATRS.TSHINC.COM-BASE.12-ORDER.ENTRY]". The interface includes a menu bar with options like File, Edit, Settings, and Help. Below the menu is a toolbar with various icons for Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup. A second row of icons includes Oe, Contacts, Maint, Drill, Execinq, Reports, Capt Off, View, Crm.menu, and Vrm.menu.

The main area is divided into several sections:

- MDS Menu:** A sidebar on the left with a "History" tab selected. It lists 16 tasks, each with a star icon and a question mark icon. The tasks are:
  - 1.Order Entry
  - 2.Consignment Billing
  - 3.Specific Order Release
  - 4.Verification - Invoicing
  - 5.Shipping Update
  - 6.Invoice and Credit Memo Voids
  - 7.One-Step Invoicing
  - 8.Credit Memo Processing
  - 9.Return Authorizations
  - 10.Quote Entry
  - 11.Backorder Priority Changes
  - 12.Credit Hold/Price Hold Review
  - 13.Transfer Entry
  - 14.Release Preview
  - 15.Backorder Allocation and Release
  - 16.Backorder Cancel
- Find Tasks:** A search area with a "Find" tab and a search box. Below it is a list of tasks with question mark icons:
  - Customer Invoices
  - Customer Sales Orders
  - Customer Quotes
  - Customer Detail History
  - Product Detail History
  - A/R Checks
  - Purchase Orders
  - Vendor Payables
  - A/P Checks
- Charts:** A section with "Charts" and "Key Indicators" tabs. It shows a pie chart titled "Sales Units by Product Class Description" with a legend for "ACCT WORKSHEETS" and "BATH ACCESSORIES". The chart data is as follows:

Product Class Description	Percentage
ACCT WORKSHEETS	67.6%
BATH ACCESSORIES	27.6%
Other	0.1%
Other	0%

The bottom status bar shows "The Systems House | Operator:ME Ready." on the left and "5/25/2016 16:52 | CAP | NUM | SCRL" on the right.

# History Tab

The screenshot displays a software interface with a menu bar at the top containing options like File, Edit, Settings, Reset, Tools, Mode, Standard Functions, Special Functions, Refresh Dashboard, and Help. Below the menu is a toolbar with various icons for Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, and Popup. A second row of icons includes Oe, Contacts, Maint, Drill, Execinq, Reports, Capt Off, View, Crm.menu, and Vrm.menu.

On the left side, there is a 'Shortcuts' panel with a 'History' tab selected. The 'History' tab shows a list of tasks:

- 1. Order Entry
- 2. Consignment Billing
- 3. Specific Order Release
- 4. Verification - Invoicing
- 5. Shipping Update
- 6. Invoice and Credit Memo Voids
- 7. One-Step Invoicing
- 8. Credit Memo Processing
- 9. Return Authorizations
- 10. Quote Entry
- 11. Backorder Priority Changes
- 12. Credit Hold/Price Hold Review
- 13. Transfer Entry
- 14. Release Preview
- 15. Backorder Allocation and Release
- 16. Backorder Cancel

An orange callout box with a white border and a shadow points to the '2. Consignment Billing' task. The text inside the callout box reads: "History Tab , shows all the latest things you've done. And allows you to go back to any point in your day."

On the right side, there is a 'Find' search bar and a 'Tasks' panel. The 'Tasks' panel lists several categories with question mark icons:

- Product Detail History
- A/R Checks
- Purchase Orders
- Vendor Payables
- A/P Checks

Below the 'Tasks' panel is a 'Charts' section with tabs for 'Charts' and 'Key Indicators'. It shows two charts: 'Chart One' and 'Chart Two'. The main chart is a pie chart titled 'Sales Units by Product Class Description' with the following data:

Product Class Description	Percentage
ACCT WORKSHEETS	67.6%
BATH ACCESSORIES	27.6%
...	0%
...	0.1%

The legend for the pie chart shows 'ACCT WORKSHEETS' in red and 'BATH ACCESSORIES' in green.

At the bottom of the interface, there is a status bar with the text 'The Systems House Operator:ME Ready.' on the left and '5/25/2016 16:52 CAP NUM SCRL' on the right.

# History Tab

The screenshot displays a software application window titled "BASE.12 - [REDHATRS.TSHINC.COM-BASE.12-ORDER.ENTRY]". The interface includes a menu bar (File, Edit, Settings, Reset, Tools, Mode, Standard Functions, Special Functions, Refresh Dashboard, Help) and a toolbar with various icons for Help, Ok/End, Insert, Delete, Prev, Next, Inquiry, Cancel, Off, PopUp, Oe, Contacts, Maint, Drill, Execinq, Reports, Capt Off, View, Crm.menu, and Vrm.menu.

The "History" tab is active, showing a list of transactions with the following data:

Transaction	Timestamp

We setup each user here at TSH and email you an autoseup file. Just put the file in your downloads folder and click on the default MDS Nx shortcut.

# Help and About

The screenshot displays a software application window titled "BASE.12 - [REDHATRS.TSHINC.COM-BASE.12-ORDER.ENTRY]". The interface includes a menu bar with options like File, Edit, Settings, and Help. A toolbar contains various icons for navigation and actions. The "Help" menu is open, showing options: About, Help for Current Application, Training Guides, and TSH Support. The main area is divided into several sections:

- MDS Menu:** A list of 16 items, each with a star icon and a question mark icon. The items are: 1.Order Entry, 2.Consignment Billing, 3.Specific Order Release, 4.Verification - Invoicing, 5.Shipping Update, 6.Invoice and Credit Memo Voids, 7.One-Step Invoicing, 8.Credit Memo Processing, 9.Return Authorizations, 10.Quote Entry, 11.Backorder Priority Changes, 12.Credit Hold/Price Hold Review, 13.Transfer Entry, 14.Release Preview, 15.Backorder Allocation and Release, and 16.Backorder Cancel.
- Find Tasks:** A search interface with a search bar and a list of tasks: Customer Invoices, Customer Sales Orders, Customer Quotes, Customer Detail History, Product Detail History, A/R Checks, Purchase Orders, Vendor Payables, and A/P Checks. Each task has a question mark icon.
- Charts:** A section with tabs for "Charts" and "Key Indicators". It displays a pie chart titled "Sales Units by Product Class Description" with a legend. The legend includes "ACCT WORKSHEETS" (red) and "BATH ACCESSORIES" (green). The pie chart shows segments for 0.1%, 27.6%, 0%, and 67.6%.

The status bar at the bottom shows "The Systems House Operator:ME Ready." and the date/time "5/25/2016 17:00" along with other system indicators.

# Help and About

The screenshot shows a software application window titled "BASE.12 - [REDHATRS.TSHINC.COM-BASE.12-ORDER.ENTRY]". The interface includes a menu bar with options like File, Edit, Settings, and Help. A toolbar contains various icons for Help, Ok/End, Insert, Delete, Prev, Next, and others. The "Help" menu is open, showing options: About, Help for Current Application, Training Guides, and TSH Support. An orange callout box with the text "Use Help and About to see your MDS-Nx and MDS releases." points to the "About" option. The main content area is divided into several sections: "MDS Menu" with a list of 16 items (e.g., 1.Order Entry, 2.Consignment Billing, etc.), "Find Tasks", "Charts", and "Key Indicators". The "Key Indicators" section displays a pie chart titled "Sales Units by Product Class Description" with a legend for "ACCT WORKSHEETS" and "BATH ACCESSORIES". The status bar at the bottom shows "The Systems House | Operator:ME Ready." and the date/time "5/25/2016 17:00".

**Use Help and About to see your MDS-Nx and MDS releases.**

# Help and About

The screenshot displays the MDS-Nx software interface. At the top, the title bar reads "BASE.12 - [REDHATRS.TSHINC.COM-BASE.12-ORDER.ENTRY]". The menu bar includes "File", "Edit", "Settings", "Reset", "Tools", "Mode", "Standard Functions", "Special Functions", "Refresh Dashboard", and "Help". The "Help" menu is open, showing options: "About", "Help for Current Application", "Training Guides", and "TSH Support".

The main interface features a toolbar with icons for "Help", "Ok/End", "Insert", "Delete", "Prev", "Next", "Oe", "Contacts", "Maint", "Drill", "Execing", "Reports", "Vrm.menu", and "Popup". A sidebar on the left lists "Shortcuts" and "History" with a list of tasks: 1. Order Entry, 2. Consignment Billing, 3. Specific O, 4. Verificatio, 5. Shipping, 6. Invoice ar, 7. One-Step, 8. Credit Me, 9. Return A, 10. Quote E, 11. Backord, 12. Credit H, 13. Transfer, 14. Release Preview, 15. Backorder Allocation and Release, and 16. Backorder Cancel.

An "About" dialog box is overlaid on the screen, titled "MDS-Nx". It contains the following information:

- The Systems House, Inc.** logo and name.
- Address: 1033 Route 46 East, Clifton, NJ 07073
- Phone: Voice : (973) 777-8050
- Fax: Fax : (973) 777-3063
- Website: www.tshinc.com
- MDS-Nx Version 11.1.7
- Universe Connection: REDHATRS.TSHINC.COM BASE.12 kpl (highlighted in green)
- MDS Release: 12.91605
- OK button

At the bottom of the interface, there is a status bar with "The Systems House | Operator:ME Ready." and a date/time display "5/25/2016 17:00". A pie chart and legend are also visible in the bottom right corner.

# MDS Upgrade Procedure

- ❑ One major release scheduled every 6 months.
- ❑ The release is tested at TSH and then the same release is given to everyone providing for stability and ease of upgrade.
- ❑ Having everyone on the same release helps us provide better support.
- ❑ Patches and special programming requests can only be installed if they are compatible with the release you are on.

# Design your dashboard for success

- KPIs and Charts - vital up to date information on your MDS-Nx desktop.
- Lookups are more customizable than ever to suit your business needs.
- Shortcuts, History and the Find Menu make it easy to get where you need to go.
- Upgrades are now safer and easier than ever.
