The screenshot shows the BeadSmith website interface. The main content area displays the product 'ITS7002 ITS BLANK PAPER SHEETS' with a price of \$12.05. A green arrow points to the 'Tool Catalog Type' field, which is set to 'Retail'. The result gives you an ethereal vintage look to your finished piece. (hint: if text is used copy as a mirror image as transfer will appear in reverse). It also works on unglazed tile, polymer clay and other oven proof surfaces!' Below the description, it says 'RECOMMENDED FOR INK JET PRINTERS'.
